(A Unit of Nanhi Foundation)

Ranchi, Jharkhand

From the Desk of President

Message

Dear students,

It gives a great pleasure to interact with you through this brochure. I believe that education is much more than the mere empowerment in terms of knowledge and skills. It also means the inculcation of values and the fostering of a spirit of intellectual enquiry. In the words of Swami Vivekanand, "Education is harmonious combination of head, heart and hands". In keeping with these objectives, Dr. Pranita Institute of Health Sciences, Ranchi offers professional programmes in an environment that is conducive to the all round development of the youth.

Dr. Pranita Institute of Health Sciences, Ranchi offers a wide range of professional programmes in its various school call possessing state of-the-art infrastructure, through a highly qualified and dedicated faculty. We ensure high quality of education relevant to the needs of the society. I believe that you will enjoy your stay at our institution and leave fully empowered for a successful professional career and with confidence about the future.

I have traveled all over the globe, visited a number of Institutes imparting professional education including medical schools and other health science institutes and I am happy to say that we, at Dr. Pranita College of Physiotherapy, have adopted excellent educational practices and teaching methodologies, which are comparable to the best available in those places. As a result, excellent facilities like well equipped laboratories and physical exercise centre, well stocked library, modern seminar rooms, conference facilities, and class rooms well equipped with teaching aids, etc. are made available. The ambience at the Institute is student friendly and the students have always been our first priority.

I welcome you to our Institute and I wish you the best of luck for admission and career in vastly expanding health science arena.

Dr. Suhash Tatarway
President

From the Desk of Secretary

Message

Dear Students,

It is my privilege to share my views through this brochure, the best media to connect the young minds of the Nation. As aptly said by Robert Maynard Hutchins, "The objective of education is to prepare the young to educate themselves throughout their lives".

In keeping with its mission of academic excellence, Dr. Pranita Institute of Health Sciences is always continuing its inexorable developmental activities, in all fronts, in a bid to create a world class University. This is reflected by the consistent expansion of infrastructure, faculty, research contributions and national and international linkages & collaborative initiatives, signalling out globally that IHS is focused in its activities with its thrust being on developmental activities.

Visualizing an enlightened, cultured, and economically vibrant India, developed through education in diverse disciplines, we at IHS always keep in mind the commitment to contribute towards the growth of our nation, the purpose of IHS and also our dream is to make IHS a global hub for academic excellence in the field of higher health sciences education.

Dr. Kenneth Soy Murum
Secretary

From the Desk of Trustee

Message

Dear Students,

I am extremely happy to interact with you through this brochure. Dr. Pranita Institute of Health Sciences has been recognized as an institution that has been delivering a very high quality education with emphasis on interactive teaching methods and focused research in diverse fields. Institute of Health Sciences is known for the Academic Heritage, dedicated faculty, State-of-the-art Infrastructure, International Teaching Pedagogies, excellent learning environment, dynamic Research Culture and emphasis on Overall personality development. Our curriculum innovations, include enhancement of integrated modules, case based & rapid cycle learning methods, inclusion of patient safety & health care quality concepts at all levels, to name a few.

At our colleges, we provide opportunities for involvement in innovative research projects and life enhancing community service thriving on our campuses. We believe that complete education is what makes a student self-educated. To ensure this, greater emphasis is given on what students have learned and not necessarily what they were taught.

With these commendable achievements, I believe that there is still scope for us to become the best and to reach higher levels of academic excellence. I have no doubt that we will be able to achieve these objectives with cooperation from our faculties of various institutions, which include experienced, knowledgeable and caring mentors.

I assure all parents & students that we will continue to strive hard to provide quality education to the youth and live through the processes and systems that are of global standards.

I congratulate you for having chosen this college to pursue and attain your future dreams and professional objectives in the area of health sciences and wish to extend my heartiest welcome on behalf of the entire IHS fraternity. I wish you all the best for a successful performance at the AIHSCET.

Vinod Kumar
Trustee

About IHS

We are committed to transform the expertise of the team working for us into success. The concept of opening this centre was born out of the necessity of an offbeat Health Education Institute in a capital city like Ranchi. The institute's infrastructures are nestled in a serene, bucolic and pollution free environment and that too, in the heart of the city, easily approachable from any landmark in the city. This is definitely going to be an upcoming hub of educational, institutional and healthcare activities.

The institution can boast of having learning spaces with spacious lecture theaters, audio-visual aids, computer labs, very well equipped laboratories for paramedical studies with latest equipments, spacious and well stocked library, multipurpose hall, common rooms with indoor games, open lush lawns with a clean and green surrounding. Education since time immemorial is considered a tool for transformation and intellectual growth. A sound educational background and healthy environment helps in moulding a student's personality and prepares them to face challenges of life.

It is imperative the parents and their wards give a careful thought in choosing the right Institute and right course for their career growth. We are obviously ahead of others in this field as ours is an Institute of repute and a preferred destination for the best candidates.

Vision

Dr. Pranita Institute of Health Sciences will continue expanding and exploring to be a leader in the field of Medical and Health Education in the area. It will work for the empowerment of its students by providing them modern and scientific Health/Medical education embedded in the ancient Indian values for a holistic approach to life and humanity.

Mission

Effective governance and leadership plays a critical role in achieving Institute's outcome. We at Institute of Health Sciences, understand that the challenges are multifaceted in the present day Health and Medical education field, but the same provide us the opportunities for setting up new milestones. We, at the institute, lead by helping our team respond to the challenges proactively.

In addition to the innovative teaching and creative medical teaching our institute is committed to provide the best infrastructure of its kind to the medical trainees. We strive to offer them an innovative and creative curriculum meeting the present day demands.

The faculty and the trainees are given the physical and mental space to deliver and receive the curriculum in innovative ways the state of the art laboratories and classrooms equipped fully with the latest tools and gadgets.

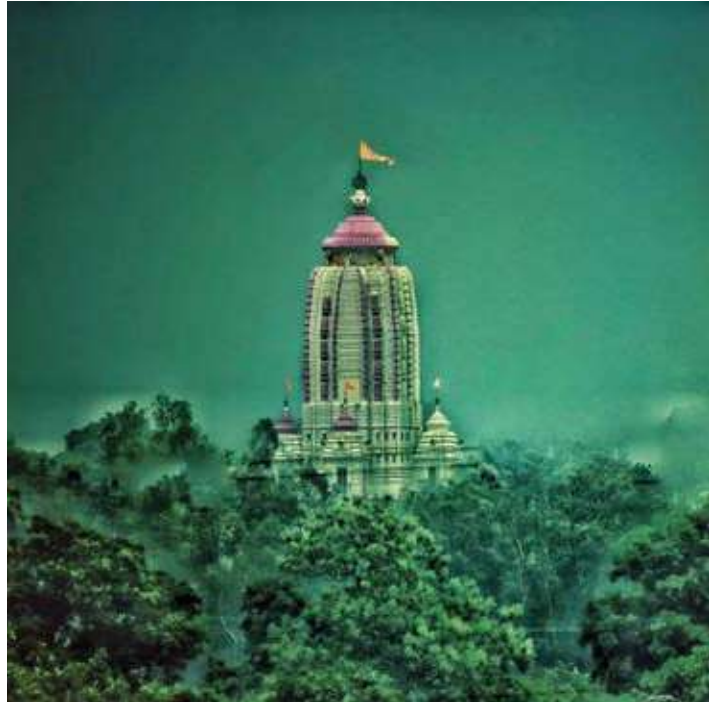

Location

Dr. Pranita

Institute of Health Sciences (IHS)

IHS, Ranchi was established in 2022! It is situated in Kanke, in the city of Ranchi. The city is steeped in cultural, educational and political history! Ranchi is the capital of Jharkhand. Ranchi was the centre of the Jharkhand movement, which called for a separate state for the tribal regions of South Bihar, northern Orissa, western West Bengal and the eastern area of what is present-day Chhattisgarh. The Jharkhand state was formed on 15 November 2000 by carving out the Bihar divisions of Chota Nagpur and Santhal Parganas. During the time of the British, the city was the summer capital of Bihar, because of its cold climate during the winter season. Ranchi is also one of the oldest cities in Jharkhand. Jagannath Temple and Ratu Palace are some sights which witnessed the history of Ranchi.

Mission of the College

“To educate students of Physiotherapy with advanced technology and sound medical knowledge for rehabilitation

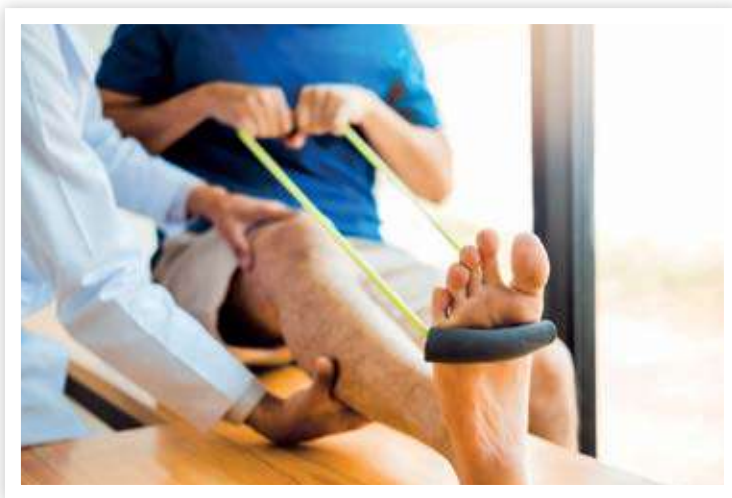

- To offer physiotherapy education and reach out to the unreached.
- To acquire adequate knowledge of the basic medical subjects in the practice of Physiotherapy.
- To develop in teachers, skill in teaching, management, research guidance and counselling.
- To inculcate moral and ethical values in students.
- To prepare physiotherapist to meet the health care needs of the society.
- To develop creative thinking and scientific interest among the students.
- To prepare our graduates to exercise leadership for making contribution in their respective disciplines.
- To establish and maintain this Institution as a centre of excellences in Physiotherapy education.
- To provide administrative, academic and support services that create an environment conducive to teaching, learning and student success.
- To set high standards of comprehensive professional education by developing the intellectual strength of students and guiding them towards professional excellence.
- To engage students in clinical research and evidence based management.
- To produce graduates of international standard committed to professionalism.
- To enhance faculty for development and sustainability of Physiotherapy as an established method of health care system

Dr. Pranita

Institute of Physiotherapy

Ranchi, Jharkhand

Physiotherapy means therapeutic system of medicine which includes examination, treatment, advice and instructions to any person preparatory to or for the purpose of or in connection with movement dysfunction, bodily malfunction, physical disorder, disability, healing and pain from trauma and disease, physical and mental conditions using physical agents including exercise, mobilization, manipulation, mechanical and electrotherapy, activity and devices for diagnosis, treatment and prevention.

Physiotherapist utilize an individual's history and physical examination in diagnosis and treatment, and if necessary, will incorporate the results of laboratory and imaging studies. Electro diagnosis testing (e.g. electromyograms and nerve conduction velocity testing) may also be of assistance. Physiotherapists practise in many settings, such as outpatient clinics or offices, inpatient rehabilitation facilities, extended care facilities, homes, education or research centres, schools, hospitals, industrial workplaces or other

occupational environments, fitness centres and sports training facilities.

- Interactive Learning
- Global Linkages
- Students Diversity

Admission Procedure

BACHELOR OF PHYSIOTHERAPY (BPT)

1. Introduction:

The admissions to BPT courses shall be carried out on the basis of the merit as ascertained from the performance of the candidates in All India IHS Common Entrance Test (AIHSCET) conducted by the IHS and their respective preference(s) given in application form.

2. Intake Capacity

Course	Total seat
Bachelor of physiotherapy (BPT)	60

3. Rules for Selection and Admission

The admission to BPT course in Dr. Pranita College of Physiotherapy, a constituent college of the AIHSCET, shall be done as per the relevant Rules and by laws of the AIHSCET. The competent Authority has established a co-ordination committee for conduct of AIHSCET and Selection and Admission process.

4. Eligibility Criteria:

- I. The candidate may be an Indian National / NRI. The candidate is required to produce proof in his/ her Nationality from a District Magistrate, Additional Magistrate or Metropolitan Magistrate. Valid Passport also shall be considered as sufficient proof of Nationality.
- II. The candidate seeking to appear at the AIHSCET shall have completed 17 years of age on or before 31 July of the Academic year to appear for AIHSCET. The Secondary School Certificate (i.e. SSC) or equivalent examination certificate or the certificates of age and nationality endorsing the date of birth will constitute the valid proof.
- III. The candidate must be medically fit and must submit a certificate of medical fitness.
- IV. Candidate should have passed in the subject of Physics, Chemistry, Biology (PCB) and English individually and must have obtained minimum 50% marks taken together in PCB at the qualifying examination i.e. 10+2 examination.

5. Admission Session

- I. The admission sessions will be conducted at Dr. Pranita College of Physiotherapy, Ranchi, Jharkhand, as per the schedule. Failure to report for admission on the scheduled date and time shall result in instantaneous cancellation of the claim of the candidate to the seat. It shall be the candidate's responsibility to ascertain the result of AIHSCET
- II. Only the candidate and one of his/her parents/guardian shall be allowed into the admission hall. The candidates shall be called in the order of their ranking in the merit list.
- III. The candidate should note that appearance at AIHSCET and inclusions of name in the merit list do not necessarily mean that he/she shall get admission to the course. His/her admission to the course shall depend upon the availability of seat at the time of his/her turn for admission.
- IV. At the time of reporting for the admission, the candidate shall produce the documents (original and two sets of photocopies) and an affidavit as mentioned on the IHS website. If the candidate is admitted to the course, these documents shall be retained by the IHS till he / she completes the course. If the candidate fails to produce all or any of these documents, his/her claim for a seat shall instantaneously stand forfeited.
